About

The Winter Wonderland Shop

The Winter Wonderland Shop, benefiting Children's Theatre of Charlotte, carries Charlotte's longstanding tradition as our community's leading family-centric shopping event. *ImaginOn* will be full of **magic, lights,** and a **snow-kissed stage**. Children up to 12 years old are invited to shop on the Wells Fargo Playhouse stage for **pre-wrapped gifts at low-cost to give to their loved ones.**

Caregivers can **enjoy snacks, write cards,** and watch a **season preview** while children shop with volunteers. Because of our generous partners and supporters, The Winter Wonderland Shop experience will also travel to underserved preschools.

To us, **kindness is not a noun; it is a verb.** The Winter Wonderland Shop teaches our next generation how to **"pay it forward"** and deliberately practice through this act of kindness. As our children shop, they think of their **caregivers, parents, grandparents, siblings, and teachers** by thoughtfully selecting and giving gifts from our shop.
