Welcome to the show, you're really going to like our new friend, Danny!

Uh-oh, Danny and his mom need to go.....now!

Whew! They made it safely to the bus! But Danny and his mom don't see this move the same way, do they?

Meet Penelopy and Angelo!

Danny and his mother have arrived at their new place. What do you think of his game?

Danny helps his mother by taking on some big responsibilities....

Danny and Angelo get to know each other.

Now it's time for Danny and Penelope to get to know each other.

Danny's mother is back, and she has good news!

It's time for Penelope to come through on her promise.....can she do it?

Danny and Penelope have a pretty interesting way of helping Angelo!

Angelo and Penelope have a chance to start over. Will they do it?

What did Danny learn about the "dinosaur" in Angelo's home?

Danny's mom is back from her first day at work. What does he think she's going to say?

It's time for Danny to start school - look how kind his new freinds' parents are! But Danny is about to get some news.....

This class is reading an awesome book! Watch what happens when these students get to read aloud....

Danny has prepared for bad news, but can he hear the good news?

Oh no, where is Danny?

Whew, there's Danny! But, he's so cold.....

We're so glad Danny is OK! Even his friends are there to help him feel better in their most-interesting way.....

Thanks for joining us at Children's Theatre of Charlotte for this special performance.
We hope to see you at our other sensory-friendly performances in the future.
