Welcome to Tiara's Hat Parade! Tiara is the sweetest girl, and she has a beautiful story to tell!

Meet Tiara! She sure has some snazzy dance moves....

Tiara is quite the storyteller and model - she's going to show you how she sees her wonderful mama!

Tiara is going to “introduce” you to the ladies who come to buy her mother's hats - listen closely, it's about so much more than the hats.....

Say it out loud - “WORTHY AND WE KNOW IT!!

“Meet” Tiara's dad - ooh, and listen to the wonderful things he can cook! He also knows just how to be there for Tiara and her mom!

Tiara's explanation of this magical feeling is just that
- magical!

Mama has noticed that her friends have been
acting differently, and she's about to find out
why....

Mama isn't happy about her friends' choices, but
she is kind first and always!

Tiara tries to reassure her mom, and she explains all the interesting sayings she hears her mother say.

Things keep slowing down, and everyone is feeling stressed out!

Tiara knows how to bring the joy, but will it change her mother's mind?

Mama has some very specific instructions for Tiara, and she has to work through her own emotions, too.

Things aren't getting better yet...but wait - Tiara might have a solution....

Ooh, the hat studio is calling Tiara's name.....what do you think she should do?

Tiara is about to feel the joy and magic again....but what will her parents think about that?

Tiara really wants to see miracles happen, and she is bringing her A game!

YAY! Mama is teaching at Tiara's school! Can Tiara convince her to make more hats now? Maybe you can help....

Meet Tiara's friends, even the bully.....

Did it work? Did Tiara bring back the hat magic for her mother?

Tiara made a fun plan to celebrate her mother AND her culture! Wait until you see all the special guests, and a super special moment for Mama.....

Wait until you see what's next for Tiara.....

Thanks for joining us at Children's Theatre of Charlotte for this special performance.
We hope to see you at our other sensory-friendly performances in the future.
