Welcome!! We can't wait to dive into "Diary of a Wimpy Kid The Musical" with you! Get ready, there's a lot to see here today....

Meet Greg, our favorite Wimpy Kid! He's starting middle school, and we know that's a big transition!

This is Greg's family - not only is he in middle school, but he's also the middle kid!

Middle school has officially begun...

Greg is confident he'll become famous with his journal, but he has one catch...

Popularity is certainly a bigger thing in middle school!

Um, what's with the cheese on the ground? You're about to find out....

Greg is still struggling with his popularity ranking. How will this impact his friendships?

It's time to "hang out."

Greg is about to have an idea...

It's time for a test in middle school! But is it about geography this time?

Well, now the competition is officially on with an election, and Greg is about to make some very specific choices for who he's going to be.

Greg has some regrets, but will that stop him from plotting more for popularity?

Ready for a Joshy concert?

Woah, Greg is really having a dream....

Let's see if Greg's next plan to be popular works, and what it might do to his friendship.

OK, now Greg has some talent for comics, but how will it impact his friendship with Rowley?

Moment of truth....will Greg finally get a good popularity rating?

The comic strip didn't work out the way Greg hoped it would, and neither did his friendship with Rowley. Will Fregley be a good friend choice?

Oh dear, things are about to get a little more... energetic....

Well, that got a little awkward, and now Greg is figuring out some important things.

Oh no, this was not supposed to be happening this way....

Wow - things have gotten terrible!!! Those 8th graders are being so unkind!!! What will Greg do?

C'mon, Greg - now's your chance!

After all that drama, what happens now, Greg??

Thanks for joining us at Children's Theatre of Charlotte for this special performance. We hope to see you at our other sensory-friendly performances in the future.
