About the show

What could go wrong when you give a dragon spicy salsa? EVERYTHING. The #1 New York Times bestselling phenomenon comes to life in a big way as the taco party of all taco parties literally brings down the house. This deliciously funny story will have you laughing out loud and wishing you read the fine print more closely: Now Made with Spicy Jalapeño Peppers.

Who would have known that Dragons Love Tacos? Get ready to hear all kinds of mind-blowing, earth shattering, titillating secrets about these mystical creatures!

Meet the Boy! His homework is hard today!

This is Leroy. He's such a good dog and just wants to make the boy happy.

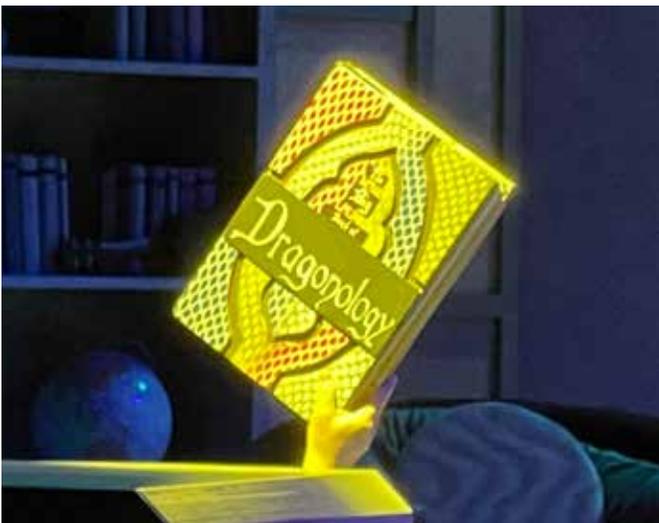

Mom has to leave for a bit, so the boy and his dog get to play together.

Time for some TV. They don't know that they're about to start an adventure with the click of a remote....

Did you know Dragonology existed? Neither did we.....

Meet the Man - he's ready to teach the boy and his dog so much, but are they ready for him?

Wait, did the man really invite dragons to the house?

Meet Red Dragon - isn't she lovely?

Here's the White Dragon - he's a classy fellow!

The Blue Dragon is so sweet!

The Yellow Dragon takes a party with him wherever he goes!

Time for the first mind-blowing, earth shattering, titillating secret! Wait, what's that sound?

Yay for tacos!! But wait, what happens if they're even a little bit spicy?

Pay close attention to what dragons CAN eat on tacos....

Here's another mind-blowing, earth shattering, titillating secret...but the man seems to be having a hard time....

It's party time for the dragons. How many different kinds of parties can you count?

They're still partying....

How are they still partying?

They're so tired, but not too tired for one more fun party game.....

Is there really another party for the dragons? Wait until you see this one.....

What's better than a taco party? But the man has a warning for us....

Wait! Stop! Don't eat that taco!

Oh no, a taco trauma!!

Does he really think this is ok?

The boy is so mad! What's the man going to do now?

What is the boy going to do? Will he decide to open the door again after what just happened?

The dragons are back, and they have a plan. Thank goodness!

NOW the man tells us the last mind-blowing, earth shattering, titillating secret? Better late than never....

The boy has to say goodbye to his new friends....

Time to say goodbye to the man that took the boy and his dog on this wild ride! Do you think they'll miss him?

After all of that, the boy is ready to dive back into his homework. He's been through so much today - what's for dinner?

Thanks for joining us at Children's Theatre of Charlotte for this special performance. We hope to see you at our other sensory-friendly performances in the future.
